STATE OF NEW HAMPSHIRE
TOWN WARRANT

To the Inhabitants of the Town of Hinsdale qualified to vote in town affairs:

You are hereby notified to meet at Town Hall, on Tuesday, the 14th day of March, 1939, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To choose a Town Clerk for the ensuing year.

Article 2. To see if the town will vote to accept and adopt the report of the Selectmen, Auditors and other town officers.

Article 3. To choose a member of the Board of Selectmen for the ensuing three years.

Article 4. To choose a member of the Board of Library Trustees for the ensuing three years.

Article 5. To choose five members of the Budget Committee for the ensuing year.

Article 6. To choose a member of the Water and Sewer Commission for the ensuing three years.

Article 7. To choose all other necessary town officers and agents for the ensuing year.

Article 8. To see how much money the town will vote to raise and appropriate for the payment of ordinary town charges, for support of the poor, for maintenance of the fire department, for lighting the streets and for all other necessary expenses arising within the town.

Article 9. To see if the town will vote to use the Australian Ballot System in voting for town officers or act in any manner thereon.

Article 10. To see if the Town will vote to raise and appropriate the sum of one hundred twenty-five dollars ($125.00) to pay rental on land on the Levi Smith farm to be used for storing lumber bought by the government, or act in any manner thereon.

Article 11. To see what action the town will take in regard to refunding $4,864.91, the cost of the Chesterfield Street sewer.

Article 12. To see what action the town will take in regard to refunding $1,399.70, the cost of W. P. A. the past year.

Article 13. To see if the town will vote to raise and appropriate the sum of $1,909.50 to which the state will add the same amount to be expended on Route 63 (Chesterfield Road) or raise and appropriate the sum of $351.18 to which the state will add $1,404.70 to be expended on Class 5 roads.

Article 14. To see if the town will raise and appropriate the sum of $1,000.00 for drainage, resurfacing, and tarring on the Plain road so-called from where similar work ended last year to the intersection of the Ox-Box road or act in any manner thereon.

Article 15. To see if the town will vote to raise and appropriate the sum of $50.00 to purchase a right of way, one rod in width, across land now owned by Joseph Jasienowski from the highway to the so-called Hooker cemetery, or act in any manner thereon.

Article 16. To see if the town will vote to give Hinsdale Post No. 45 of the American Legion permission to set a live Christmas tree on Jackwood Park where the community tree was last Christmas or act in any manner thereon.

Article 17. To see if the town will vote to authorize the selectmen to borrow on the credit of the town a sum not to exceed fifteen hundred dollars ($1,500.00) for the town's share in any work project that may be available from the government, or act in any manner thereon.

Article 18. To see if the town will vote to raise and appropriate the sum of eleven hundred dollars ($1,100.00) to build a cement wall on, and to widen Hancock Street, from Church Street to the corner of Howard Streeter's property, or act in any manner thereon.

Article 19. To see if the town will vote to borrow a sufficient sum of money to extend sewer on Cream Pot Hill from Canal Street to C. B. Johnson's line, or act in any manner thereon.

Article 20. To see if the town will vote to borrow a sufficient sum of money to construct a water supply distribution system on Glen St., Depot St., and to connect with present water line on Northfield Street, or act in any manner thereon.

Article 21. To see if the town will vote to borrow a sufficient sum of money to restore the water supply pipe across the Northfield Street bridge.

Article 22. To see if the town will vote to change the rent of the town hall for the use of schools, churches and organizations from $10.00 to $3.00 to be used at the discretion of the proper authorities, or act in any manner thereon.

Article 23. To see what action the town will take in regard to plowing snow from driveways for parties living off the limits of highways, or act in any manner thereon.

Article 24. To see if the town will vote to raise and appropriate the sum of $340.00 to the Monadnock Region Ass'n in southern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, calling

attention to the resources and natural advantages of the town, in cooperation with the other thirty-seven towns of the Monadnock Region.

Article 25. To see if the town will vote to raise a sufficient sum of money to place and maintain a street light on the Plain road beyond Henry Barrett's place at the corner of so-called Bruce place and tobacco field road, or act in any manner thereon.

Article 26. To see if the town will vote to raise a sufficient sum of money to place and maintain a street light on Canal Street between the lights now located near G. E. Robertson Co. paper mill and the residence of John McCaughern, or act in any manner thereon.

Article 27. To see if the town will vote to instruct the selectmen to insure the town hall and fire station against fire for a five year period instead of the one year period as now used and raise and appropriate a sufficient sum of money for the same or act in any manner thereon.

Article 28. To transact any other business that may legally come before said meeting.

Given under our hands and seal, in said Hinsdale, the fifteenth day of February, 1939.

CLIFFORD D. STEARNS,

SUPERINTENDENT'S REPORT OF THE WATER AND SEWER WORKS

To the Water and Sewer Commissioners and Citizens of Hinsdale:

I herewith submit the following report.

The added addition to the sewer system on Chesterfield road was completed in good time considering the amount of ledge we had to cut through.

This sewer was installed as far as the Samuel Colson place and a little way up Todd hill.

The New England Water Works Association held their May meeting in Brattleboro, Vt., so I invited the association to inspect our plant. I had about 75 visitors who were well pleased that they made the trip over here to see one of the most up-to-date filter plants in the state.

The September flood was the cause of the river crossing to Northfield Street being washed out. But with the fine cooperation of the fire department Northfield Street was without water only part of two days.

We made connections on Northfield Street and a new line of hose was run under the bridge from nearest hydrant on River Street and connected at this point. This was later replaced by a new 6 inch temporary pipe line across the bridge and then boxed in so as to stand the cold weather.

At present time we have about 250 customers.

Anyone wishing to visit the plant is cordially invited at any time.

In closing my report I want to thank the commissioners and selectmen for their cooperation in the past year.

Respectfully submitted,
CHARLES W. HARRIS,
Superintendent.

Number of juvenile court cases heard,	4

I am pleased to inform the public that these juvenile cases were not Hinsdale boys or girls but the deeds were committed in this town and had to come before this court—they were placed on probation in another state.

Justice.

AMERICAN RED CROSS
Hinsdale, N. H.

Visits to Patients in the Year 1938

Maternity and new born,	434
Infants,	132
Pre-school—school,	208
Non-communicable diseases,	1,127
Communicable diseases,	40

School hours,	124

Dr. J. H. Grimes of Hillsboro, N. H., held a dental clinic in the Red Cross rooms. Two hundred and twenty-five operations on school children's teeth were done. I conveyed five children tonsillectomy operations to the Keene, N. H., hospital. I also conveyed five children to have glasses fitted.

There were thirteen cases of scarlet fever among school children. The usual method of procedure was followed in communicable diseases, school children were inspected daily, and to my knowledge no permanent complications left in any cases.

The school board, school physician, health officer, and myself met to consider giving the Dick test to school children,

to determine the susceptibility to scarlet fever, and we communicated with the state board of health. They did not have the Dick serum, so it was decided not to do any more about it.

The High School M. A. department made an ample First Aid cabinet, which I replenished, and also a cot for the Bridge Street school.

Miss Hazel Waite, State Board of Health Nurse visited me in regard to toxoid clinic. Miss Elizabeth Murphy, State Health Supervisor, visited me to talk over our school problems.

I attended an all day meeting in Fitzwilliam. Miss Walsh, Rhode Island State Field representative, explained to us many new phases of public health nursing.

I took the Red Cross Instructors Course in First Aid in Brattleboro, Vermont. A thirty hour evening course.

I read a paper on cancer in two public places. Also wrote a paper on Child Welfare, which I read to the State American Legion meeting.

Since our great loss in the death of Mrs. Clarence Fay, in October who had served faithfully as chairman for the Red Cross Nursing Committee since its organization, I have done some "campaigning" in the community to reorganize a Red Cross Committee, for the good of the nursing service. Mr. J. W. Field, who has been our capable pilot, due to business pressure has wished to pass on to a committee some of his responsibilities.

I wish to thank those who generously contributed toys for Christmas distribution among the children in town, also the Girl Scouts who helped to pack the toys.

In behalf of the people, I wish to thank the generous, who gave me clothes, old sheets and linens for the service.

Once again I thank and appreciate the cooperation and kindness of the people and also the teachers and superintendent of schools.

Respectfully submitted,

EVA N. FORTIER, R. N.

The members of the Hinsdale Branch of the American Red Cross desire at this time to publicly express their very deep sorrow occasioned by the death of their former secretary and co-worker, Eva N. Fay. Her labors were many and varied, and her loyalty to the Red Cross was unceasing over a long period of years. We feel it fitting at this time to pay a tribute

to the memory of her, whose work for the organization was an essential factor in the success of the order. In her death, the Hinsdale Red Cross finds itself with a vacancy that none can ever fill.

MARION P. WELCH,
Secretary.

There has been an unusually large increase in circulation this year, the greatest gains made in fiction and juvenile non-fiction.

The books have been completely rearranged and about 500 discarded and 500 more placed in basement. Then all books upstairs were counted and totaled about 12.000 volumes. There are approximately 4,000 volumes of fiction, 3,300 non-fiction, 2,250 juvenile fiction and 2,200 juvenile non-fiction.

The rental collection has not earned quite as much as in past years but still furnishes the library with about $200.00 worth of fiction, mostly of the light romance type.

The librarian attended two meetings of the Connecticut Valley Library Association.

As we have said for a number of years, the library is badly in need of painting.

REPORT ON COMMUNITY ROOM

To the Citizens of Hinsdale:

We have the honor to submit herewith the first annual report:

Much benefit has been derived by the creating of this room for the use of the community, and we feel that at no time has the privilege of its use been violated.

It is with pleasure that we extend to you the sincere thanks of the many groups that have been granted the benefit of this room from April 4, 1938 to Feb. 10, 1939.

Various groups, always with adult supervision have had the privilege of this room 103 times. This includes both girls and boys and mixed groups, for clubs, orchestra and band classes, card parties, dancing classes, food sales, rummage sales, rehearsals and committee meetings for community activities. It is with grateful appreciation of all who have used the Community Room that we,

Respectfully submit this report,

LENA H. O'NEAL,
MARION J. POWERS,
ELIZABETH S. KIMBALL,
Committee.

HEADMASTER'S REPORT OF THE HINSDALE HIGH SCHOOL BUILDING

January 20, 1939.

To Superintendent Charles S. Walker:

I. Statistics:

Enrollment:

Grade 12,	23
Grade 11,	22
Grade 10,	28
Grade 9,	27
Total,	100
Grade 8,	29
Grade 7,	35
Total,	64
Grade 6,	23

The particular significance of these figures lies in the facts: (1) grade 9 has enrolled every pupil from grade eight of last year showing that economic conditions are such that parents will start the children to high school. (2) Grade 12 of twenty-three pupils had 37 pupils in grade 8 which represents a higher percentage of loss than should be. To a great extent this loss is due to lack of opportunity of curriculum. Boys have but two educational chances—the ancient classical and the commercial. A vocational course is needed badly.

II. Curricula:

A thorough overhauling of the curriculum is advised to meet more nearly modern demands. We are carrying some dead wood and we need some new courses.

III. Personnel:

The past year has seen a more extensive change of school teachers and executives than has taken place for twelve years past. Superintendent W. H. Douglass resigned to enter business. The domestic arts department lost a fine leader in Miss Dorothy Corcoran who resigned to accept another position. Matrimony claimed Miss Caroline Howard, French and Latin teacher, and Miss Margaret Stanley, Commercial teacher.

We have been particularly fortunate in our replacements this year. Miss Louise Towne, Domestic Arts, Miss Marion Clements, Commercial, and Miss Shirley Haven, French and Latin.

These are excellent teachers and Hinsdale should retain them as the exchange of teachers is an expensive proposition from a pupil's viewpoint and we should not merely serve as a training school where a first year teacher can get experience and then when she has it go some where else to give another system the benefit of the training.

IV. Physical Condition:

The building at present is better in appearance and cleanliness than at any time during the last twelve years.

We are crowded far beyond the degree of efficiency and our study hall conditions such that efficient work is impossible. No adult can study with eighty others in a room and a class being conducted in the room besides that, and yet that is what the pupils have to contend with.

There is no athletic opportunity of any kind available since the last flood finished what was at best a not too satisfactory ball field.

V. Improvements:

Magazines have been kindly donated by the townspeople and greatly appreciated by the pupils.

Outing club activities conducted under Mr. Lerandeau have proved popular.

A Dramatics Club has been founded under the direction of Miss Clements and myself.

A course in nursing is being given by Miss Fortier under the charge of the D. A. Department.

Miss MacLallan has been serving as instructor in seventh and eighth grade art since Miss Tosi resigned the first of the year. Miss Evelyn Brinton has succeeded Miss Blanche Gane as Music Supervisor in the seventh and eighth grades. The High School Glee Club is under the direction of Miss Haven and Miss Tarney. Mr. Gribbon of Greenfield is directing and forming a school band. This should come directly under the official school system in so far as the instruction is concerned. There are 16 members of the band now and if placed on a public instruction basis this group would grow and give a more equal opportunity.

VI. Improvements of Instruction:

Miss Haven, Miss Clements and Miss Towne have been doing professional study with Mr. Walker. Mr. Lerandeau and myself have been taking an extension course from Harvard University with weekly meetings in Greenfield, Mass.

Tests in handwriting and spelling have been given to the whole school system so that we may know exactly how the children stand in these two fundamental subjects. In conclusion it may be said that with conditions as they now exist the school is doing about as well as can be expected. A new plant is needed worse every year. Hinsdale children will have a chance to pay the taxes on school plants erected in other communities but will not have the advantages offered by them.

Respectfully submitted,
CLEON B. JOHNSON,
Headmaster.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Hinsdale:

I have the honor to submit my first report.

Teachers: The success of any school system depends primarily upon the teacher's ability to instruct pupils. Successful schools exist where good teaching is found although buildings may be inadequate, classes overcrowded, and equipment meager. The proper training of teachers has received a great deal of attention during the last few years in colleges and normal schools, and the professional requirements for entrance to teaching steadily raised in New Hampshire. A successful teacher not only must have an adequate background of knowledge of subject matter but also must have an intimate acquaintance of how to instruct pupils of different ages and various abilities.

It has been very gratifying to know that several of our Hinsdale teachers are enrolled in the courses given by the Harvard-Boston University Extension Department during the winter season. Others are engaged in reading professional books and magazines helpful to them in their classroom contacts.

Hinsdale should endeavor to retain the services of its younger teachers over a three year period. As in industry, frequent "turnover" of the teaching staff means loss of time and efficiency. Fourteen regular teachers are employed, five in the Depot Street School, seven in the High School building, and two in the rural schools. In addition, there is one supervisor of music whose services are engaged in the elementary and junior high school fields.

In addition to the three replacements in the High School, Miss Evelyn L. Brinton, graduate of Keene Normal, 1935, was engaged on January 9, 1939, to take the place of Miss Blanche Gane who had been the successful music supervisor for a number of years.

Buildings and Grounds. It is not necessary to remind the citizens of Hinsdale that both the elementary and high school buildings in many respects do not meet the requirements of adequate school housing. Both buildings are crowded, and the natural lighting poor. Inadequate playground space is also in evidence.

An endeavor has been made to improve the general appearance of both buildings and to set up an adequate janitorial service. Both buildings were thoroughly cleaned during the Christmas vacation. New blackboards are needed for the high school as well as the replacement of a number of window shades. It is also recommended that the typwriting room be enlarged.

Course of Study: Studies are now being made in the fields of handwriting, spelling, reading and arithmetic throughout the entire system. The results of the spelling test have revealed some lines of weakness and a renewed emphasis is now being given to these fundamental subjects.

During the past year a committee of teachers was engaged in studying both the arithmetic and geography text books, and in response to their recommendations, new geographies have been installed in grades three to seven inclusive. In addition, various reference text books in American History have been placed in grades seven and eight to take the place of the much used text books.

During the spring term, the teachers of the junior and senior high school are to devote some time to study of how to initiate a course of study in these departments to more adequately meet the needs of our present day.

I wish to express my appreciation of the great deal of cooperation I have received from the School Board, the teaching staff, and the citizens of Hinsdale.

Respectfully submitted,
CHARLES W. WALKER,
Superintendent of Schools.
